v této nabídce **4.140 Kč** vč. DPH
(tato cena platí při objednání titulu do 18.9.2014)

This new edition is a timely update on important advances in the understanding of infectious diseases of finfish. The content has been significantly updated to reflect current knowledge and the developments in the fish production industry, including the dramatic increases in production in the Asia-Pacific region. An important resource for aquaculturalists, fish health consultants and fish pathologists.
